## Girls Celebrate Double Gold at Europeans

Two Tobi Ishi Kai students impressed European judges to take gold in their individual categories in the European Championships held in Maidenhead in November. Both Katrina Wilson and Chloe Hooper won titles in the under 13's and under 16's categories and then succeeded in gaining a further gold medal in the juniors team event along with fellow team member Tanith Ludlam.

Both girls are now training hard for the British Championships in May, the Europeans next November and the World Championships to be held next year in Canada. Well done girls!

## Sparring Equipment for Health & Safety

With new regulations from the Japanese Karate Federation and our own health & safety policies, we can no longer allow children to participate in sparring sessions unless they wear the appropriate protective equipment. For hygiene, it is recommended that students acquire their own equipment before Orange belt level. The full kit should include the following:

Headguard, competition mitts, shin and foot protection, gum shield and groin guard for boys, although initially children will need only competition mitts and contact boots.

This equipment can be purchased at a discounted price from Tobi Ishi Kai.
